

NATIONAL BOARD OF EXAMINATIONS IN MEDICAL SCIENCES NEW DELHI

Dated: 18.07.2024

NOTICE

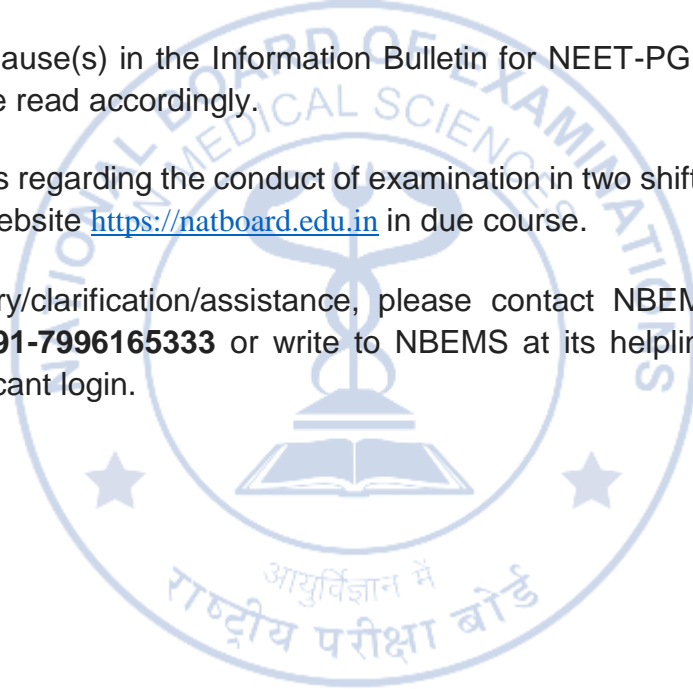

Subject: Test City Selection for NEET-PG 2024 to be held on 11th August 2024

1. NBEMS vide its notice dated 5th July 2024 has notified the revised schedule for conduct of NEET-PG 2024 on **11th August 2024 in two shifts.**
2. On account of additional security measures being taken by NBEMS and MoHFW (Govt. of India), this examination shall now be conducted in 185 test cities across the country.

List of Test Cities where NEET-PG 2024 shall be conducted on 11.08.2024

3. The test city and test centre communicated in the admit cards issued earlier for NEET-PG 2024 which was to be held on 23rd June 2024 shall no longer be valid.
4. All those candidates who were issued admit cards for NEET-PG 2024 shall be required to choose their test city again by exercising their choices of preferred test cities during an online window which shall be opened from **19th July 2024 to 22nd July 2024 (till 11:55PM).** The window can be accessed through NBEMS website <https://natboard.edu.in> using the NEET-PG 2024 applicant login credentials.
5. The scheme for selection and allocation of test cities shall be as under:
 - a. Candidate shall be required to provide choices for four preferred test cities where he/she wish to appear for the examination. These test cities will be selected from the available test cities within the state of correspondence address indicated by the candidate in his/her NEET-PG 2024 application form.
 - b. Wherever the number of available test cities in a State/UT of correspondence address are less than four or the demand of testing seats is exceeding the available capacity in the state of correspondence address, the candidate shall be offered to choose from the test cities of nearby States/UTs.
 - c. Allocation of the test city to a candidate will be done randomly from the choices provided, and these four choices will not be considered as an order of preference of test cities.
 - d. It is possible that a test center cannot be provided in any of these four preferred test cities due to reasons such as overcapacity, logistical, administrative, or security reasons. In such cases:
 - The candidate will be allocated a test center in one of the nearest available locations within the state of correspondence address or in nearby states/ UT.
 - If no test center can be allocated within the state of correspondence address or in a nearby state as well, the applicant shall be allocated a test center in any part of the country based on availability.
 - e. Candidates who will fail to provide any preferences regarding the test cities during this online window shall be allocated a test centre by NBEMS anywhere in the country.

- f. The allocation of the test center is subject to availability and the decisions made by NBEMS. NBEMS reserves its right to add a new city (other than those listed above) for conduct of examination or to delete an offered city due to security and/or logistic reasons.
- g. Candidate shall not be entitled to claim any changes in the preferred test city choices given, after submitting the form. Further, the form shall not be accessible to edit after being submitted once or after the expiry of prescribed timelines of submission.
6. The test city so allocated shall be communicated to all concerned candidates through email on **29th July 2024** at their registered email IDs. The test centre venue in the test city allocated shall be intimated through admit card which shall be released on **8th August 2024** at NBEMS website.
7. The candidates shall not be able to exercise the choice of shift (Morning or Afternoon) in which they shall be allowed to take the examination. The examination timings for both the shifts shall be notified in due course.
8. All relevant clause(s) in the Information Bulletin for NEET-PG 2024 stand revised and should be read accordingly.
9. Further details regarding the conduct of examination in two shifts shall be published on NBEMS website <https://natboard.edu.in> in due course.
10. For any query/clarification/assistance, please contact NBEMS Candidate Care Support at **+91-7996165333** or write to NBEMS at its helpline portal accessible through applicant login.
